## EMPLOYMENT.

---

### OCTOBER 2008 - PRESENT

Freelance: Clients include Buongiorno, 3 Mobile and Daniel Martin Group

### CREATIVE MAY 2005 – OCTOBER 2008 Inventa Productions (a Buongiorno Company)

- o Camera work. Lighting, Filming and Sound Recording
- o Editing using Final Cut Pro Studio
- o Illustration, Logo and Package Design using Adobe Illustrator CS3
- o Photography and Photo Manipulation using Photoshop CS23
- o Technical Consultant for Mobile Platform
- o Directing, Filming and Editing content
- o Project Management working direct with clients

During my time at Inventa I learnt how to deliver to a wide variety of digital media platforms, many times having to create and learn new ways in order to get over hurdles. I pride myself in being able to work through a problem until a solution is found.

I have also developed my design and illustration skills to a very high standard.
